TRANSFORMING LIVES OF TRIBAL IN MINING AREAS

November, 2024

## Multi-Purpose Hall cum Indoor Stadium

The OMBADC actively supports the Sports and Youth Services Department in building multipurpose indoor stadiums across major Mining-affected Districts of the State. These efforts aim to boost the career of youth in sports. These buildings play dual roles, promoting sports and providing shelter during natural calamities.

Provision of Table Tennis in the Stadium

### Multi-Purpose Hall cum Indoor Stadium at Barbil ULB:

OMBADC has also sanctioned Rs. 10.13 Cr for the indoor stadium at Barbil ULB which offers sporting facilities like table tennis, gymnastics, juice centre etc. The stadium is completed and functional where large no. of youth has enrolled themselves under various sports and games.

## Types of Facilities

Badminton Court

Weightlifting Hall, Changing Room

Multipurpose Area

Table Tennis, Yoga Room

Physiotherapy & Admin Room

Gym & Juice Centre

Cardio Exercise in progress

The stadium is helping the district in identifying new sporting talents who are representing in the state and national level events. The facility offers a well-equipped gym that promotes fitness, improves health, and reduces stress. It encourages both youth and adults to stay active, build strength, and adopt healthy habits. The gym has also created job opportunities for trainers and support staff.

The OMBADC-funded indoor stadium also offers a space for people to practice yoga, promoting physical health, mental peace, and stress relief. Besides this, there is a physiotherapy room, one gym and a juice centre to cater to the needs of the players. Overall, the stadium is encouraging health lifestyle for the residents.
